**IT.** Ispirata alla natura e perfezionata attraverso il design, Pluma trasforma la luce in un'espressione personale. Grazie alla sua modularità, offre ai designer la libertà di creare composizioni luminose su misura, adattandosi con naturalezza a ogni visione progettuale.

Realizzata con maestria in ottone di alta qualità, Pluma incarna una bellezza duratura, fatta di precisione, equilibrio e cura del dettaglio. Le sue strutture raffinate dialogano con una luce delicata, bilanciando solidità e sofisticazione.

Ogni elemento racconta un'attenzione meticolosa alla lavorazione artigianale e a una ricercata eleganza. La scelta del diffusore in alabastro regala una luce calda e intima, mentre l'opale bianco offre un'illuminazione pulita e contemporanea. Qualunque sia l'atmosfera che immagini, Pluma si modella sul tuo stile e sul tuo modo di vivere la luce.

**EN.** Inspired by nature and perfected through design, Pluma transforms light into a personal expression. Its modular design empowers designers to create bespoke lighting compositions, adapting seamlessly to every creative vision.

Expertly crafted in high-quality brass, Pluma embodies enduring beauty, precision, and refined craftsmanship. Its elegant structures meet delicate light, achieving a harmonious balance between strength and sophistication.

Every element reflects meticulous attention to detail and a sense of quiet luxury. Choose the alabaster diffuser for a warm, intimate glow, or the white opal option for a clean, contemporary light. Whatever atmosphere you envision, Pluma adapts effortlessly, shaping light around your style and your space.
